

Lake St. Clair Walleye Association

501 (c)(3) Non-Profit Organization

"Dedicated to the preservation of Michigan's Walleye Fishery."

I would like to thank Bill, Kandy, and Bill Jr. at Rose Marine Service located in Algonac, MI for donating the 9.9 HP Mercury Motor for this year 2012 Outboard Motor Raffle. They belong to the LSCWA and have supported the club for several years. If you need Marine Service, motors, boats or a new Pontoon, please stop by and support them with your business. We sold 815 tickets this year which was great. I want to thank everyone one who sold tickets. Without you this would not be such a success. I want to congratulate **Cal Sherwood** the winner of the motor this year and he was at the Picnic helping with the food. **Cal showing me his ticket below for the motor. Stan Byolds** won second prize \$500 gift certificate from **Looken Back Charter** and **Ryan King** won third prize the Custom Wire Line Reel from **Ryan Terzaachi** club member.

**Thanks Again
Ron**
