## 2021 APRIL DERBY RECAP

By: Jeff VanTorre

April derby 2021, couldn't wait for the start of it, lots of guys were were anxious to get this underway as it's been a long time since we had our last April derby, which was 2019 by the way.

Friday after work I found myself on the St. Clair River doing some jigging trying to find some quick fish to put in the box hoping to build off of for the weekend. Fishing the St Clair river that time of year can go either 2 ways for me .. very well or very poor and with my first fish and last fish of the evening being a huge sucker I knew what I was in store for.

Saturday and Sunday my plan was to concentrate on the shallows in the lake knowing that this will be the warmest water I could find that these walleyes would be moving around chasing bait. The Forecast for both days looked to be windy and chilly, well the weatherman lied for Saturday in the afternoon it was BEAUTIFUL! I decided to pick up my fishing partner at the dock so she can enjoy the day with me and see if she could get her derby points.

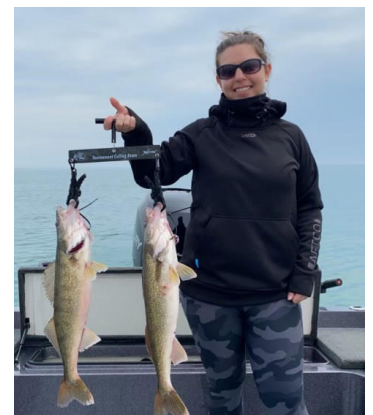

I checked an area on a whim that usually goes later on during the year and to my surprise the fish were loaded up for the rest of the day! We both caught many walleyes and had lots of fun doing so.

Sunday was a different story with the wind blowing strong offshore we decided to pull in tight and make multiple passes and work over an area, we caught fish steady throughout the day with no upgrades from Saturday's fish.

It was nice seeing so many members out on the lake participating in the derby, spending time with their friends, family, husbands or wives just all in all a great feeling knowing that our club is there to provide people with making great memories, family memories.

My programs that I focused on for these days were small crank baits really tight to the bottom as I believe these walleyes were chasing Shiners and small perch. Looking for the correct water color was a huge part of making sure you were putting fish in the boat. Once it cleaned up or pushed out you had to make sure you were following it as the bite would die off if you stayed.

We all look forward to the May derby along with 2021 May Madness walleye tournament. You will be seeing some great fish being caught as the lake is shaping up to be fishing great this season.

## PRESIDENT'S CORNER

I remember years past hearing "when the lilacs are in bloom, it's time to go walleye fishing" -well I for one think lilacs must always be blooming somewhere because in the Great Lakes area it's always time to go walleye fishing! Maybe it's time to get the crawler harnesses out perhaps? Either way, the water is warming up, the weeds will soon be growing back and it's time to start seeking the 'eyes out on old LSC.

There's lots of things happening for us in May, first we have our premiere event, May Madness on the 22nd. This event is the largest one day walleye tournament on Lake St. Clair with over 75 boats registered as of this writing. Up for grabs is \$10,000 for first place! We are anticipating 100 boats for this event which has grown every year since we first held with Dick Huvaere & Ram Trucks in 2015. Our May derby will run concurrent with May Madness and the weigh-in will be held at Anglers's Point Marina on May 23rd.

The meetings are slowly getting back to normal, our in-person limit was raised to 70 recently and as the restrictions are relaxed our capacity will increase. Please, follow all current CDC guidelines and use your own judgement as to the safety and well-being of yourself and others.

Last month I reported to the members at the meeting that the LSCWA donated towards the purchase of a track chair for a fellow outdoorsman and I'm happy to announce the goal of \$20,000 was recently met through the generosity of many other sportsmen and he will be getting his all terrain hunting and fishing machine soon! Thank you to all who made this possible.

Fish cleaning station on LSC?-WHAT!...YES! But there's plenty of work to be done before it's a reality. With the rebuild of the Crocker site the MDNR is going to allow a fish cleaning station to be built. It has to be from funds raised and then gifted to the DNR and the citizens of Michigan. Please see Tim Muir for more info on this.

In recent MWT tournaments anglers from the club have placed respectively in the standings. Jeff VanTorre and Eric Lenz placed 8th in the April Event on the Detroit River and most recently Mike Demanski, Fred Vore and Don Vogan placed 10th in the Bolles Harbor stop on the tour. Great job fellas, lots of the Midwest's top anglers compete in this event and they will be looking to compete in our May Madness Tournament as well.

We can always use an extra hand at our events, come on out and get to know the members of your club at the meetings or events.

## THANK YOU!

BY JEFF VANTORRE

I would like to take a moment in this newsletter to thank all of my committee members for the May Madness walleye tournament.

We have all seen this event grow each year and it couldn't happen without you all! I appreciate all your time, thoughts, help and work for this event.

This lake that we hold so proudly to our hearts needed a walleye tournament to be held each year, we are letting people know across this great state of Michigan and even outside of Michigan how awesome of a walleye fishery it can be.

From the bottom of my heart I thank each one of you guys for going above and beyond to help make this event a success! Here's to a great 2021 event !

## VETERAN'S FISHING DAY

BY: MIKE ROUSH

The date for this year's Veteran Fishing is Thursday, August 12th. I am still in need of a couple of boat captains to help. If you would like to help, please see me at a meeting, or call me at 810-765-8158.

THANK YOU!

### MISSION STATEMENT

*To protect, preserve, and promote the walleye fishing in Michigan through conservation, education, and enhancing fishing opportunities for all; celebrating our tradition since 1976.*

# PROPOSED BY-LAW CHANGES

The board of directors is proposing the following changes to our bylaws.

The first change deals with membership. We no longer are affiliated with the National Wildlife Federation, the Ontario Federation of Hunters and Anglers, or do we receive a copy of Michigan Out-of-Doors magazine as part of club membership. We are proposing to remove that from the bylaws. The text to be removed is highlighted

The second change concerns the board of directors meeting day. Over the years we have had issues with our meeting space being double booked, closed, which has made it hard to keep it on the fourth Wednesday. We are proposing to change the wording in the by laws from fourth Wednesday of the month to fourth week of the month. Again see the highlighted text.

## MAY DERBY OUTLOOK

Well here we are MAY 2021 LSCWA derby. The host for this month is Anglers Point bait and tackle located on M59 across for the Selfridge DNR launch.

May derby starts the beginning of the LSCWA big fish race of the year .. we hope to see some great anglers make the big fish race more exciting this year with battling back and forth with each other in friendly competition.

Let's take a look back a few years ago with some weights:

2016: Bob Barnes - 6.67lbs

2017: Rich Okerhjelme - 6.67lbs

2018: Jake O'Hara - 8.45lbs

2019: Josh Orzeckowski - 6.70lbs

Great weighs that should shape up for an interesting weigh in.

Along with all of that MAY also marks the return of the SUPER SIX. This is where we weigh your biggest 6 fish from the derby weekend to see who comes out on top for bragging rights for the month. Big bags have come from the May derby here are some outstanding baskets

2016: Jake O'Hara- 35.65lbs

2018: Jake O'Hara- 35.43lbs

2019: Charlie Boyce/Ted Stehney - 24.72lbs

We are looking forward to seeing you all at the weigh in and on the water. Best of luck to all the anglers, be safe and fish on!

Please be advised that derbys are American waters only, all club dues must be paid by the end on Mays general membership meeting.

## THE SPIRIT OF THE RULE

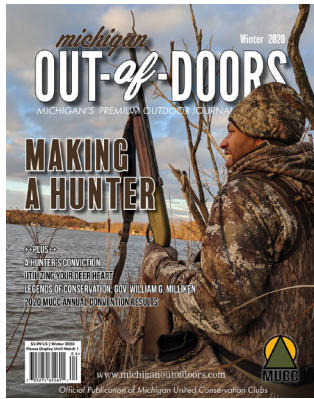

BY: BOB BARNES

Recently we had a derby rule change that states on the first day of the derby (Friday) no lines can be set before 4 pm. This was implemented to eliminate the temptation of an angler(s) to keep fish prior to the start of the derby. This is not acceptable in my humble opinion. Keeping fish caught before the 4 pm derby start time has always been unacceptable and should fall under "The Spirit if the Rule" guidelines as such. I would like to see the new rule removed to allow club members to pre-fish on Friday's before 4 pm on derby weekend. This will be discussed with the Board of Directors and the Derby Committee. This is all about integrity. Integrity is doing the right thing when no one else is looking. We as a club do not have to state all the details on how one must be in integrity with themselves and members while fishing our derbies and in general.

Spirit of the Rule. Be in integrity with yourself and others.
