MISSION STATEMENT

To protect, preserve, and promote the walleye fishing in Michigan through conservation, education, and enhancing fishing opportunities for all; celebrating our tradition since 1976.

Presidents Corner

Summer's end is in sight and fall fishing is already starting it seems. The perch reports are coming in and while they're scattered still, good catches have been reported in the dumps, the channel and even off the yacht club already. That's good news also for anglers getting ready to fish the 2024 perch 'n pig on October 5 at Anglers

Point Marina. Entry is \$100/boat with a max of 4 anglers, includes 4 lunch tickets 90% payout of entry fees. Entry forms available at Anglers Point, Sportsman's Direct and Lakeside Fishing Shop or printable off of the LSCWA internet page.

Walleye fishing has slowed lately, clear water and weeds hindering efforts by some or making others switch it up to night fishing. The weeds have started their seasonal breakup, the next month or more expect them to be a factor on any given day...but with that also comes the hot fall fishing that LSC and the Detroit River are famous for.

Speaking of famous, Jon Bondy is going to be giving a seminar at the September 18th meeting on alternative methods for catching walleye. Jon has been a guide for over 25 years putting thousands of fish in the box over the years. This is one seminar you don't want to miss!

The annual summer picnic was enjoyed by all who attended and I am grateful for all the help preparing, setting up & taking down in addition to the weigh in crew. The food was fantastic and the weather quite nice. We will be breaking down the class winners, master class additions and more soon.

No fall derby's are planned for this year but a few of us are kicking around a one day derby or scramble, possibly a fish fry afterwards...what do you think? Let me know at September's meeting.

October is chili time once again, members are encouraged to bring a crockpot of their best chili for judging and the 2024 best bowl title. Winning chef is asked to share his/her recipe for other to enjoy.

This is a chili contest, no chowder!

Last but not least, welcome members John Dolney and Pete Aleccia to the LSCWA Board of Directors. Thank you for accepting your nominations to the board.

This is YOUR club, be part of it!
Rich Benson, President LSCWA

Another Exciting Fishing Trip

By Richard Koch.

August 24th derby fishing in Lake St. Clair near the St. Clair light. Outside board takes a dive and line peels out, what a run. Joann is in for a big surprise, A king Salmon. 33 inches and 14lbs. What a beautiful chinook. We will be having Salmon patties.

Good luck on your fishing trip.

August 2024 - Two Winners!

What are the chances? While fishing the 2024 August Derby on my boat two first place walleye were caught. Unfortunately for me, I couldn't claim either catch. Al McMurray fished with me Friday night. I helped him bring it in by hand lining in a walleye that weighted 5.30 lbs , a " first " place open division entry.

Then Saturday night on my boat again, fished with Dr. Kirk and Nick Markowski. This time Dr. Kirk struck gold with a 5.80 lb. walleye, taking "first "place in the master's division. I was in the right boat, at the right time, right area, but wrong rod both days.

So, my quest for a club jacket continues! So close and yet so far away. One of these years the stars will align in my favor. Until then it has and will be fun trying with great fishing buddies! Congrats to Al and Kirk, pictured with their winning catch.

LSCWA College Scholarships 2024

By Bob Barnes

Time is running out on your opportunity for the 2024 LSCWA Scholarships.

The Lake St Clair Walleye Association will be awarding two college scholarships this year of \$500 each. The club believes in giving back to the community and there is no better way than to help our young adults pursue higher education. Plans are to award a scholarship for fishing and wildlife studies and or for general education.

Applications are available on our website LSCWA.NET. Applications are due October 1, 2024 and will be awarded at the October 16, 2024 general membership meeting.

This is one of many reasons I am proud to be a member of the Lake St Clair Walleye Association.
