## Mark Martin

By Scott Hunt

All of us at the Lake Saint Clair Walleye Association are thrilled to announce that our February guest speaker is none other than Michigan's own Mark Martin. Mark is arguably the most successful and most renowned professional Walleye fisherman from the entire state of Michigan.

Mark is going to conduct a seminar that should last approximately one hour. His seminar is going to be on trolling Lake Saint Clair. Specifically, he is going to touch on the effectiveness of trolling body baits on Lake St. Clair. And even more specifically than that, he is going to spend a considerable amount of time speaking about the fishing success that can be had while trolling body baits on Lake Saint Clair at night time.

Here in our great state of Michigan many regard Mark Martin as Mr. Walleye at night. He has earned this nickname by averaging more than 600 Walleye per year in the 6 to 12 pound range. The key to Marks success is a history of walleye fishing developed over three generations of Martins. He intends to share some of his expertise and nighttime tactics to all of those in attendance.

Some of Mark Martins career achievements include the following:

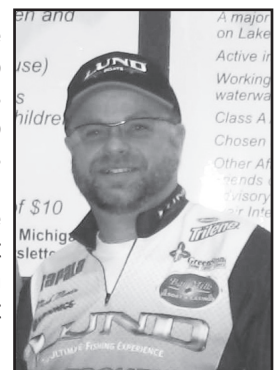

- Qualified for 18 Professional Walleye Trail Championships
- World Champion of the first PWT championship held in 1990.
- Currently 43 top 10 finishes in AIM, PWT, MWC, tournaments and Governor Cups.

- Over 24 years of professional tournament fishing.
- The most PWT championships since its inception in 1990
- Has fished in over 200 major tournaments.
- Currently is the 8th highest money earner among those fishing the professional Walleye circuit.

These are just a few of the seemingly never-ending list of career highlights owned by Mark Martin. Quite frankly, there are just simply too many to list them all.

Mark Martin has also accumulated a rather fine list of extraordinary sponsors. Some of these sponsors are illustrious companies such as Navionics, Church Tackle, Abu Garcia, Berkley, Plano, Fenwick, Northland, Daiichi, Motorguide, Lowrance, Rapala, Lund, Mercury and Optima just to name a few.

By now, you get the idea. This is an excellent guest speaker. Not the type that everyone can sit and listen to on just any ole day of the week. This is going to be a special meeting, so please do not miss it. And take this advice; if you want to make sure you get a seat, make sure you get there early. There is a good chance that this will probably be a standing room only type of crowd. Our meetings get called to order at 7:30 so don't be late. I cannot wait to see you all there!

## PRESIDENTS CORNER

by Dave Marcelewski

This month, I was thinking about what subject to write my article about. It took a little bit of thinking. But finally I made up my mind.

I would like to challenge every member in our club, to make it a point to fish at least one of our monthly derbies.

Win or lose? Who cares! It really doesn't matter. I fish these derbies mostly just to put fish in my freezer. And talking fishing with the other club members is always welcomed.

When I fish a derby, I come home very relaxed and the bonus is fish in my freezer. It is one of the most pleasant ways to spend a weekend.

And then there is the weigh in. Again, win or lose? Who cares? But it is nice to win once in a while.

If you are lucky enough to catch a fish, than bring it to the weigh in. If you do not catch any fish but still show up at the weigh in, then the real fun starts.

All you have to do is show up. We always have food. Maybe pizza? Or hot dogs and freedom fries? Or broasted chicken? It is always a welcomed surprise.

And then there is the comradery of being around people that share the same interests. You will definitely walk away with the freshest fishing reports around. Maybe find out about a new technique? A new fishing lure? Who knows? The opportunities are endless.

We have five monthly derbies starting out in April and ending at the August picnic. Please put these events on your calendar and make it a point to fish them. Or just show up to chit-chat a little bit about fishing. That is always welcomed.

## YEARS PAST- 1981-1985

By Dave Wilemski

In June of 1982 our club collected back issues of the outdoor magazines that members brought to the meetings and distributed them to local area hospital waiting rooms.

Homer "Mr. Muskie" LeBlanca was our guest speaker at the March 1985 General Membership meeting.

On 5-5-1985, young Brian Lamphier caught a 15" walleye with a red crawler harness while fishing on Lake St. Clair.

## FEBRUARY MERCHANDISE RAFFLE

By Richard and Marialaina Benson

Professional walleye angler Mark Martin is going to be our guest this month and we're featuring some of the tools he has used to make his career so successful. We will have some Church planer boards, lures he recommends and what would a fishing raffle be without at least 1 or 2 rod and reel combos? A few other boating items will also be on hand as we gear up for spring from our winter (or non-winter) of discontent!

My wife, Marialanina, and I would like to thank everyone for their continued support at the merchandise raffle table. We'd love to hear your suggestions or comments. If there is an addition item, fishing or not necessarily fishing related, you think club members would desire to see on the table, please feel free to let us know.

Thank you, Rich and Marialaina

This past weekend I figured  
that I would have the lake to myself for a change.  
And what to my eyes do I catch with my gaze,  
a small little flat bottom with trollers plugging away.  
When I saw them flip a fish I knew right away  
these two bundled anglers were Masters at play.  
They plucked the fish so fast and with ease,  
I knew that my company must be on the fishy's.  
This is the spot that they dredged for their gold.  
They worked so adeptly that they did not look too cold.  
Once they bagged their limit they packed up in a flash,  
started the primary and were off with a dash.  
The little flat bottom and anglers swept away,  
with wishes of "good luck" to me in my sleigh.  
It is visions like this that make winter so sweet,  
to know that the spring will soon be at our feet.  
So Fish away, fish away, fish away all.  
And thank goodness for this January thaw!

*This photo was taken Sunday morning January 8. We ended our morning with 7 nice eater walleye. Six males and 1 nice 23" female. The two photographed had a nice mess of fish with one going over 8#. Think spring!*

## Thank you Denny Lantzy

By Scott Hunt

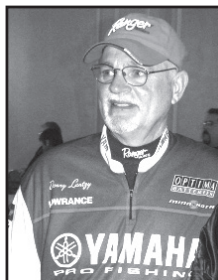

The night of January 18<sup>th</sup> was our General Membership meeting, and our guest speaker was none other than Denny Lantzy. Denny gave an informative and educational seminar in which he spoke for about an hour, and the audience of over 200 members and guests gave Denny their undivided attention.

His seminar covered ice fishing on Lake Saint Clair and Lake Simcoe. Denny was extremely thorough and touched on every aspect of ice fishing from first ice until last ice. He spoke about all of the equipment and tackle he uses, as well as the importance of attention to detail.

Afterwards, Denny hung around for a little while and answered questions from the inquisitive members off to the side of the meeting hall. Denny stayed until it was very late in the evening, and took the time to answer each and every question in a very professional manner.

I can honestly say that it was my pleasure to work with Denny and schedule him as our guest speaker. And I hope that I am given the opportunity to work with him again one day. I would be honored to see him as our guest speaker again in the future.

In short, the January meeting was an outstanding meeting. And Mr. Lantzy played a huge part in making that possible. So on behalf of the Lake St. Clair Walleye Association, I would like to say Thank you Denny Lantzy.

## LSCWA 2012 POKER FUNDRAISERS AT SNOOKERS

By Bob Barnes

Well here we are again in another new year with many opportunities for fundraising for our club. No other event is more fun and easy to participate in than the poker fundraisers at Snookers. Snookers is located on Hall Road east of Van Dyke on the north side by Dick's Sporting Goods. We sell poker chips and collect chips from tables on an hourly basis. We enjoy some good fishing stories and fellowship with other club members.

So, I know what you're thinking, "How can I help"? Well it's easy, see me at the meetings or call me @ 810.513.7754 and sign up.

### The 2012 dates are:

## ULTIMATE FISHING SHOW WAS A GREAT SUCCESS

By Ron Sharp

I want to thank everyone who helped to make the show a great success again this year. We added a lot of new things to the booth and all the pictures on the display board were last year events. We sold 300 motor raffle tickets and got 6 new members and that's what we are trying to do. We gave every boy and girl a crawler harness and asked them to drop us a line to let us know what they caught with them and it should be interesting to see the responses. Thanks again for the help and please give Bob Barnes the same support for the Texas Holdem events he has coming up.

## GMB

By Don Murray

Believe it or not, spring is almost here. In a couple of weeks we can be boat fishing. This has been a very mild winter to say the least, which bodes well for our open water fisheries.

With that thought in mind, I would like to remind everyone of the upcoming club and private tournaments scheduled for this year. Look on the club web page and newsletters for dates, times, and locations for these tournaments. I have one more tournament to add to the list, the Golden Minnow Bucket, (GMB). The bucket was lost last year to the gentlemen from the DWF. The DWF beat our club in every category such as biggest, heaviest, walleye and steelhead.

We will require many club members and boats this year to gain our reputation back as a fishing club. The GMB is scheduled for Aug 4, 2012, at Erieau Canada. Details will be in upcoming newsletters, so mark your calendars.

We need the bucket back in our hands, this is where it belongs!

## WHEN I FIRST MET BOB GALVIN

By Rich Benson

I attended my first LSCWA Christmas party in 2008, we were at Gino's then and the dinner was excellent. It was a packed house and it seemed like every member had brought their favorite dish or dessert, including us. We had brought some homemade oatmeal cookies, and Bob liked them so much he hung out by the table until I came to retrieve the platter. He told me he had been standing there for nearly 30 minutes waiting for the owner of the platter to come forward just so he could get that recipe! We chatted for a few minutes and had a laugh or two, he was such a nice guy I knew I had to share the recipe with him, he wouldn't let me not!

**Bob Galvin Born: January 26, 1938**

**Place of Birth: Detroit, Michigan**

**Death: January 14, 2012**

**Place of Death: Royal Oak, Michigan**

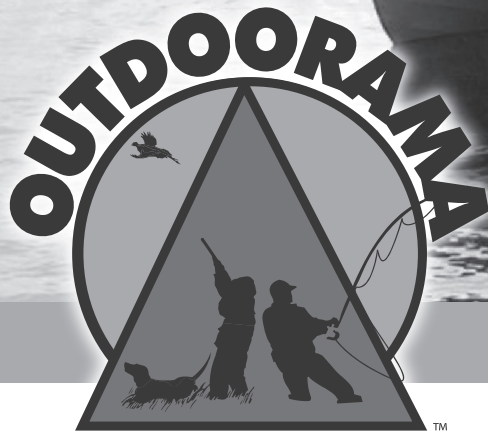

*Rest in peace Bob*

### Here is the recipe for the cookies Bob enjoyed:

1/2 cup butter, room temp  
3/4 cup firmly packed brown sugar  
1/2 cup sugar  
3 eggs, room temp  
2 teaspoons Kahlua (vanilla works, but who doesn't like Kahlua?)  
1 1/2 cups flour  
1 teaspoon baking soda  
1 teaspoon ground cinnamon  
3 cups oatmeal (quick cooking kind or old-fashioned)  
1 package Nestle cinnamon chips  
1 6 oz. package of dried cranberries  
1/2 to 1 cup chopped walnuts, optional

Beat butter and sugars till creamy, add Kahlua and eggs, beat well. Add flour, baking soda cinnamon, mix well. Add oats, cranberries and cinnamon chips, mix well. If mixture is too dry, add 1 more egg. Bake at 350 degrees for 8-10 minutes, or golden brown.

## OUR NEXT TREE HOUSE SENIOR GET-2-GETHER

By Dave Wilemski

On Wednesday, January 25, we had our 5<sup>th</sup> club get-2-gether at 'Yorgo's Family Restaurant'. I could not attend because of a prior appointment, however five LSCWA members who did attend the breakfast are as follows: Richard and JoAnne, Bill Hess, Tim Covert and Dale Billings. As usual, they all had a great time. They discussed a past vacation to England, fishing stories and made a list of future restaurants to visit.

Our next Tree House breakfast get together will be Wednesday, February 29<sup>th</sup>. (write it down). It will be at Rams Horn, Jefferson and 9-Mile Rd. (where the old Big Boy was located). We will meet at 9:30 am and have breakfast together. If that is too late to eat breakfast for you, show up earlier, eat by yourself and we will buy your coffee when we get there at 9:15 / 9:30. Bring your wife or grandchild. Bring a neighbor. You do not have to be a senior to break bread with us at our Tree House get-2-gether. Just have \$5, wear socks and show up.

We always have fun chit-chatting about whatever is on your mind. We rotate places to dine every month, so come on down and join us. Future meeting places are: 'Charlies' (next to Gilberts' Lounge); 'Steves Back Room (Jeff S. of 10-Mile); 'Copper Penny (Harper below 9-mile) and 'Franks on the Avenue' (Harper & 11-Mile).
