Guest Speaker

by Scott Hunt

The LSCWA is pleased to announce that our guest speaker for the month of October 2012 is none other than Lance Valentine. Our meeting will take place on Wednesday, October 17th at the Lakeland Manor and Banquet Hall on 9 mile road in Saint Clair Shores.

Mr. Valentine is an avid and accomplished angler. He also happens to be known and respected as an outstanding speaker. Countless fisherman have learned and acquired a great deal of knowledge about fishing from Lance's numerous seminars.

Lance's seminar at our meeting night will be on Fall Walleye fishing. In particular, he will be talking about fall Walleye fishing on Lake Erie's Central Basin. However; he will also explain how the tactics used on that body of water, can also be used successfully in the fall time on the body of water nearest you.

This should be a pretty big meeting. So come one, come all. We look forward to seeing you at the meeting, and I'm sure we can all learn a little something to catch more fish.

Lance Valentine

SMILING FACES

By Joann and Richard Koch,
L.S.C.W.A.

These smiling faces were from the Fire Fighters that received Walleye and Perch filets from our Lake St. Clair Walleye Association. We dropped the fresh filets off at the Fire House kitchens in St. Clair Shores, Crocker and Jefferson Harrison Twp and Mount Clemens. All donations were received appreciatively. We both enjoyed helping out our hard working municipal protectors.

50/50 Raffle

Thank you to the members who have donated their time to help out in conducting the 50/50 raffle at the club meetings and events. Not only are you helping support the club, but some of the members who don't know you are getting a chance to say hello and get to know you, Thank you!

PRESIDENTS CORNER

by Don Murraray

The fall perch action is starting with the calendar pages flipping to October, and cooling water temperatures. The board has decided to have another Perch Derby, so you have another chance to fish. The derby is for members and non-members, so get your buddies ready for 20 October 2K12. Your board set the date back a few weeks to get the early youth hunters past hunting and into perch fishing.

We are in the process of making up flyers with an entry form, rules and other information needed.

The derby will be an 80% payout, with the rest of the funds for pizza and pop at the weigh-in. \$100.00 entry fee per boat. Four person teams max per boat. \$25 for heaviest perch, \$100.00 for longest perch. (If there is a tie, it's by weight, then a coin toss.) Pay-out ratio 50%, 30%, 20%. Start at day break, Must be in line before 3pm, no exceptions. So mark your calendars Saturday, Oct. 20'Th.

Setting the Hook

By Henry Beard & Roy McKie

"A small jerk used to drive the point of the hook into the mouth of a fish that just struck the bait cast by that considerably larger jerk fishing right next to you."

October Merchandise Table

Rich and Marialaina Benson

October, and the perch fishing is only getting better! What better way to store those fillets than using a vacuum packer? That's right, we're going to have a Food Saver vacuum packer with accessories on this months table. We're also going to have a nice counter-top fryer to cook those fillets too, along with the usuall fishing items and more...maybe a minnow bucket will find it's way on the table...(love hearing "TAKE THE MINNOW BUCKET"). Thank you for your continued support, comments and suggestions are always welcome!

Thanks, Rich and Marialaina

TREE HOUSE BREAKFAST CLUB

By Dave Wilemski

The September Tree house breakfast club meeting was another great experience. Our first time to 'Dockside Café', inside the SCS Library at 11 Mile Rd and Jefferson was very nice. We had eight club participants.

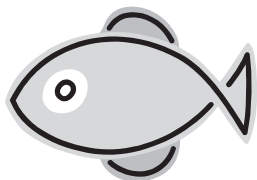

Café'. We all stayed about 90 minutes and had many interesting discussions. Our get-2-gethers are open to anyone. We usually have room for 15 or 20.

Our next breakfast meeting will be Wednesday, 31-Oct @ 8:45 AM @ Michael's Kitchen 35481 Groesbeck Hwy, Clinton Twp. (NOT JEFFERSON AVE) Halloween Day. Dress Crazy.

(See picture) Left to right we have Mr. Bill Perch

(Board Member); Joann and Richard Koch (Honorary Life-Time Members); Mrs. Camille Houck; Dave Wilemski (Past President) Mr. Bill Houck a new member this year; Dave Marcelwski (Past President and current Board Member); and Dale Billings (a very active club member).

If anyone is in the neighborhood and wants a delicious breakfast or lunch at a great price; by all means stop in and check out 'Dockside

UT Lake Erie Center Survey of Michigan Fishermen

This survey is being conducted by The University of Toledo Lake Erie Center with the assistance of The University of Toledo Urban Affairs Center. The purpose of this survey is to find out what factors Michigan fishermen consider when choosing live baitfish. Some types of baitfish are capable of being infected with viral hemorrhagic septicemia (VHS) and the disease can be spread to many species including sport fish in the Great Lakes area. We wish to know about your decisions to use certified VHS free or not certified VHS free live emerald shiners (a.k.a. blues).

Please fill out this survey only if you fish in Michigan and use live emerald shiners as bait when you fish.

All of your answers will remain confidential. Your answers will be merged with a lot of other people's so you cannot be identified in any way. You may choose to discontinue answering questions at any time during the survey process without any negative consequences. The UT Lake Erie Center will be

glad to answer questions about this research at: (419) 530 - 8378, or email lindsay.vollmar@rockets.utoledo.edu.

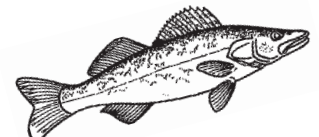

Thank you for participating in this survey. There are four sections of questions and information we would like you to read and complete. The first and second sections should each take you about 5 minutes to complete. The last two sections are very short and it should take you about 2 minutes to complete each of these sections.

Should you need to exit the survey before you are finished, you can bookmark the survey and pick up where you left off at a later time. You can do this by using your browser's "Bookmark" or "Favorites" function and bookmarking whatever page of the survey you are on. Depending on your browser, when you return you may be prompted to select whether you want to "resume" or "resume from first page". Please select "resume" to pick up where you left off.

All completed surveys will be eligible for a drawing for a \$25 gift card. To enter the drawing, please enter your email address at the end of this survey. Your email address will be stored separately from your answers, maintaining the anonymity of your responses.

Please answer each question carefully. You will not be able to go back to previous pages in the survey once you have selected "Next Page". Thank you for your cooperation.

Funded by the National Oceanic and Atmospheric Administration (NOAA).

Perch Fishing

by "The Prez"

The 6th annual LSCWA perch derby is coming 20 Oct 2k12 get ready. This article is a prelude of what might happen if you enter the derby. The story is, myself and the Cookies fished in the Ken.s gas dock perch derby 6 Oct 2k12 and took 2nd place. It's just that easy, enter the derby and you might win some money. Our team won \$375.00 for our effort, and Joann also got big fish, which was 12 3/4 inches, and won \$120.00 for it.

We fished out in front of the 400 tower in 14 FOW, so no great secret spot, just went out and got the job done. So come out guys enter the derby. I will have apps at the October meeting, like I said it's just that easy.

Perch Derby

by Don Murraray

The fall season is here with cooling air, falling leafs everywhere. What can we do now, the club derbies are over, hunt, or fish perch, walleye? My vote is to fish with the boat until the ice gets to thick.

Let me start this article with a Perch report. I know it will be old news by the time you read this, but it might inspire you to enter the club's Perch derby 20 Oct 2k12. I fished Tom's gas dock annual Perch derby with Bob Barnes, Karl Sauners, we tied for 5th place with a weight of 15 lbs. There where 18 boats in the derby with alot of people on the boats which made for a decent prize purse for the winners. The first place team had a weight of 22 1/2 lbs, they had some nice perch. They also had the longest perch at 13 1/2 inches long.

Tom's gas dock had a BBQ at the end with burgers, kielbasa, Italian sausage, potato salad, slaw, and deserts alot of eats all for 20 dollars. I'am telling you guys and gals, you can't beat these fall derbies and have fun all at the same time.

The club has alot to offer if you the individual gets involved, try your luck,and skill at these events.

Good Fishing

Vice Presidents Ramblings

by Rich Benson

Recently, our own Ron Sharp had a serious heart attack, Bill Hess took a fall and other members have had their own medical issues, including me. While spending some time in the hospital for Dr.'s and Nurses to work their magic is what I needed, the support of friends and family is what really seemed to help me out. A call, a visit or even a card can brighten someone's day and give their spirits a boost immeasurably, I know for me it most certainly did. In fact, I came home from work after a horrible day and recieved a birthday card in the mail from Alex, which just turned that day right around in an instant!

As always, any comments, suggestions or problems you have, please come see me at the merchandise table....I'm here for the LSCWA and YOU!
