HOLIDAY FISHING

By Alex Vitek

The weather over the Labor Day holiday weekend was close to perfect for some fishing. Monday morning Steve Young, his son Landon and their friend Greg Putt spent several hours fishing the upper Detroit River. Steve was teaching Landon some of the techniques involved in wire lining. His son was able to catch and put in the boat several nice "eater" sized Walleye.

I met up with them near the lower end of Peche Island while they were pulling wire along the edge of the shipping channel. They were able to catch eight Walleye that morning and the lures that were productive were some of the Rapalas they had on board the boat.

Steve is active in the Youth Activities. He was able to reserve the Bounce House for the picnic which was a hit with all the kids who attended that family event

PRESIDENTS CORNER

by Don Murraray

First let me say that I will take the role of President for the LSCWA very seriously, but with a mix of fun thrown in. My main idea for the club centers on the members fishing the events the club sponsors through out the year. The videos from TJ productions that Tim produces hopefully will inspire members to fish the derbies, and join in the fun. Club members can contact me for support or coordinating with others in the club so more people will fish the derbies.

The LSCWA Building Fund donation Wall Plaque / Money drop Box will be in the Lobby for our March meeting. If you have a few extra ten dollar bills, please make a strictly voluntary cash donation toward our Building Fund.

Thank you.

REFLECTIONS.....

By Don Murray, President

WOW, what a start to my new role as President of the LSCWA with a great picnic. I have to say that the way the guys and gals came together really showed that we have a great group of folks in the LSCWA. I want to thank all involved such as Ron, Jeff, Mark, Steve, the cooking crew and others behind the scene for a job well done.

A special thanks you to Steve Grosso for your help and the return of the 50/50 monies back to the club; what a guy! Also, thanks to Mel for the donating the hand lining reel for a children only raffle. The purpose of the raffle was for a child to carry on the hand lining tradition.

Giggles showed up to a group of waiting kids with her face painting, magic show, and games. Giggles even snagged four of the older kids for a fun, but somewhat embarrassing, game of dress and undress. You might have guessed that Giggles is a clown the club hires for the picnic, fun was had by all.

Let's not forget that we are a fishing club that had a picnic with our year ending August derby. We had 44 people enter fish, which made them eligible for the blind draw monies. The 50/50 monies are collected during the year which makes a nice pot for the blind draw portion of the derby. The blind draw is open to any member who enters a fish. The teams were put together, weights tallied and money handed out to the lucky teams.

Hopefully next year we can have more people enter the club derbies, and make next August's picnic, derby bigger and more fun. Come out and support the club while having fun.

Thanks to you all. Don Murray

ELECTIONS RESULTS

By Alex Vitek

The LSCWA had their annual elections last month. I have the results below.

The new Executive Board is

President:.....*Don Murray*
Vice-President:.....*Richard Benson*
Treasure/Financial Secretary remains:*Ron Sharp*
Recording Secretary remains:.....*Terry Davidson*
Membership Secretary remains:..*Dave Champine*

The five Board members whose term will expire in 2014:

Steve Young, Bob Barnes, Maria Benson
Jerry Comfort, Bill Perch

Alternates for the next year:

Karl Saunders, Richard Bevins, Tim Muir
Mark Tews

Karl Saunders will move up from alternate to replace Richard Benson who is now the V-P. Karl Saunders term will expire in 2013 which is when Richard Benson's term would have expired. In order to pull off the elections I have to thank the crew who helped. Roger Roney and Greg Hess passed out the ballots to the voting members. John Roodbeen, Brian Feuer, Charlie Boyce and Colin Cook helped to count the ballots that were turned in. Dave Wilemski helped with the counting of totals to determine the final Board of Director members.

SEPTEMBER MERCHANDISE TABLE

Rich and Marialaina Benson

Fall is nearly upon us! The fishing should continue to be fabulous and what better way to put some walleye or perch in the bucket than with a new rod, reel or tackle? We'll have some winterization products on hand also and who knows what else... (I'm guessing another one of those "Ultimate Pan fish" rods)? The only way to see is to stop by and see us! I would like to thank the club members who have stepped forward to lend a hand, both in helping out with donations, 50/50 raffles or helping out when I (Rich) am out of town on business. Also, suggestions or requests are always welcomed, thank you for your continued support.

Thanks, Rich and Marialaina.

MEL'S LUCKY HAND-LINING REEL WAS PASSED ON TO

This Classic, Chrome plated hand lining reel was won by young Kayla Austin who turned in a walleye to weigh at a 2012 Weigh-In. She is one of Dan and Nancy Austin's daughters. Dan runs the Derby Weigh-Ins for our club and has been a huge asset to LSCWA for many years. Mel Godmair was at the picnic earlier, however he had to leave and was not there to see Kayla's Big smile. Thank you so much Mel.

LSCWA KIDS CORNER

By Dave Wilemski

My son Bryan reported about my grandson Shane; as also did Mr. Elliot who responded on his two sons Joey and David; that these three youngsters were so excited and proud to receive the fishing trophies for placing in the Youth Division of our past summers Derbies. This is what our club is all about.

So next year...let's get more of our children involved in our five Derbies. You will not regret it.

TREE HOUSE BREAKFAST CLUB

By Dave Wilemski

Our twelfth tree house breakfast get-2-gether was at a new place off Jefferson Ave in Chesterfield Township. My home turned out to be a very pleasant experience for all of us who attended. We only had a few regular faces partake in our first year anniversary breakfast meeting. However, as always it was an interesting and rewarding time.

I did hope and planned for more attending. So I bought extra cereal, milk, juices, donuts and fruit. I will be having cereal for breakfast, lunch and dinner for the next two months. lol

We now have a schedule for the next twelve 'Tree House' get-2-gether. It is in this Newsletter. So if you want to bond more with fellow LSCWA members and pick up current fishing tips, then cut out the schedule and tape it up somewhere where it will be handy for you.

We had a drawing for a two prizes supplied by Beacon Light Home Inspections. Our waitress / my wife Linda pulled out the winning tickets. In the group picture, taken by Linda, we have our eight year old Golden - 'Seger' (with the sun in his eyes), Dave Wilemski, Richard Koch, Joann Koch, Mr. Bill Hess and Dale Billings. (This group will be receiving the first Club T-Shirts, compliments of 'Beacon Light Home Inspections'.).

We will now meet at 8:45 am and have breakfast together. This is 15 minutes earlier than before for those people who wake up starving. If you get lost and cannot find the designated restaurant...just call me on my cell phone. My phone number is in all Walleye Worlds / two places; and also on the ball point pens I gave you.

SALMON FISHING

By Richard Benson

I missed the club's annual summer picnic and derby; again, as it happens to fall during the week my father, son and friend take our annual salmon trip to Manistee, MI. The fishing was pretty good some days, slow others, but nice fat king salmon and steelhead still filled the cooler to capacity! Coincidentally, some other club members also made the trip north, with great success as well. Our own Charlie Boyce was spotted at the fish cleaning table and none other than Ted Stehney was seen bouncing on a rough Lake Michigan on Friday morning. Manistee offers many levels of accommodation and the fishing can be outright fantastic, and if anyone would like more info or possibly tag along next year, let me know, I'll see if we have a spot open!

VICE PRESIDENT!

Wow, Vice President, I guess I had it coming when I accepted the nomination! I never imagined in a few short years of being a member that I would first be elected to the Board of Directors last year, and then acquire the position of VP this year. My family and I first joined the club to expand our knowledge of river fishing for walleyes and see exactly what the LSCWA was all about. Since that time we have been to the kids outings, picnics, tournaments, derby's and other events and fundraisers and have come to appreciate the dedication so many of our members have shown. Whether it's teaching kids to fish, explaining techniques to knowledge seeking anglers or helping out the DNR or MUCC, the LSCWA seems ready to lend a hand. I will give all my efforts to make our club a success, now and in the future.

Thank you, Richard Benson

2012 MERCURY MOTOR RAFFLE WINNERS

By Ron D. Sharp

Thanks to the large amount of members who helped in selling 815 tickets for the raffle totaling \$4,075.00 and I was the top seller this year selling 154 tickets and Marilyn was second. The first place winner for the 2011 Mercury 9.9 hp 4-stroke Boat Motor from Rose Marine Services went to Cal Sherwood who was helping with the cooking at the August Derby and Picnic. Marilyn Krych got him to buy a ticket and gets \$100.00 (this is the first year the winner was at the Picnic). Second place winner was member Stan Bydlos (sold by himself) was a \$500.00 gift certificate for a fishing trip on Lake ST. Clair with 'Looken Back Charters' plus he won \$75.00 for selling the ticket.

Third place winner for the Schaller Classic wire line reel, valued at \$250.00 and donated by Ryan Terzachi, was won by Ryan King. That ticket was sold by Bill Peach who won \$75.00.

As you can see we had some great prizes this year. A sincere 'Thank You' to all who attended the August Derby and year end Picnic. This shows the kind of TEAM SPIRIT we get from the LSCWA and how we can make these raffles work by selling tickets.

Remember to show your Support to the Rose Family at Rose Marine Service and also Jim at 'Looken Back Charters' who donated some great prizes for this raffle. Thanks Again TEAM for all your help.

-Ron

Perch Derby (without the pig)

By LSCWA Board of Directors

The fall perch action is starting with the calendar pages flipping to September, and cooling water temperatures. The board has decided to have another Perch Derby, so you have another chance to fish. The derby is for members and non-members, so get your buddies ready for 20 October 2K12.

Your board set the date back a few weeks to get the early youth hunters past hunting and into perch fishing. We are in the process of making up flyers with an entry form, rules and other information needed.

The derby will be an 80% payout, with the rest of the funds for pizza and pop at the weigh-in. \$100.00 entry fee per boat. Four person teams max per boat. \$25 for heaviest perch, \$100.00 for longest perch. (If there is a tie, it's by weight, then a coin toss.) Payout ratio 50%, 30%, 20%. Start at day break, Must be in line before 3pm, no exceptions. So mark your calendars Saturday, Oct. 20 Th.

MY FIRST TRIP TO THE ST. CLAIR LIGHT

By Linda F. Wilemski

A few weeks ago my husband Dave and I headed out early on a Sunday to fish the St. Clair Light. In the past I have not done much fishing but now that I have retired I decided to take another look at this sport that he loves so much. As we rode away from our dock the sun was just rising and it was such a beautiful site. The lake is pretty calm in the morning and I was looking forward to reeling in a big one. I noticed about 10 big spiders on the motor and thought they

will be gone once we get way out into the lake, but they hung on all the way there. While I really don't mind spiders, I don't want them crawling on me so I spent the first half hour killing them. By now Dave had all the rods out and I knew all we had

to do was wait, and wait we did. Three hours later not even a bite! Not even a snag! No Fish On!

We did see many freighters, and those ugly bids that perch on the St. Clair Light, and it really was nice spending time together. I forgot my sunglasses but found a clip on pair on the boat, except I don't wear glasses so I had to tie them on with a bungee cord. Dave said I looked beautiful; he's a good husband and a good liar too. Fishing....Try it....you might like it!
