2015 MOTOR RAFFLE

This years motor raffle is in the books and another record year. This time we shattered all records. Last year we sold \$6,250 and my goal was to hit \$7000. We ended up selling 1836 tickets which comes to \$9,180. A big thank you goes to all the bait stores around the lake that helped put us over the top. B p gas station in St. Clair Shores, Lakeside Fishing Shop in St. Clair Shores, Anglers Pointe in Chesterfield, Brian's Blue Water Bait in Fair Haven, Sunoco Master Tackle in Pearl Beach, Sportsman Direct in Harrison Township and Angler's Outfitters in St. Clair Michigan.

The first place winner of the 9.9 Honda motor is Clemens Bobryk of St. Clair Shores. 2nd place is a charter with Look-N-Back Charter goes to Steve Hodges of Eastpointe. 3rd place goes to Dawn Haskin of Garden City and she wins a charter with Comfort Zone Charters.

The top 5 sellers were ; Jerry Comfort 503 tickets, Marilyn Kritch 140 tickets, B P gas station 125 tickets, Lakeside fishing shop 110, and Anglers pointe 70 tickets.

Don't forget, none of this would happen without the generosity of Rose Marine. Stop in their store and get your boat stuff and give them a big thank you. Also, to Jim Bratton and Jerry Comfort (your welcome) for donating their charter.

Rose Marine has promised another motor for next year. This time it will be the new Minn Kota Ulterra electric trolling motor. This is the only electric trolling motor on the market that self deploys and retracts at the push of a button. It also has electronic anchor, and other features. More to come on the Minn Kota motor in the next news letter.

I thank everyone for their help and commitment to our club.

President's Corner

by Richard Benson

Ah, September, that time of change. Cooler mornings, shorter days and the fall colors begin to appear. Hopefully, the perch will start showing up, the salmon make their journey upstream and not too far behind them, the steelhead too.

This is a time of change for the LSCWA as well. I'd like to welcome new board members Ron Pisarski, Rick Okerhjelm, and Charles Estep to their terms and look forward to working with them in the coming year. Furthermore, I'd like to thank Jeff Regulski, Alex Vitek and Dave Marcelewski for their longtime service to the club. I'd also like to recognize Joe Stemmer, an original member from 1976. Joe has retired and moved up north, his longtime fishing partner, Ray Wauters, told me he's really going to miss his good friend, as we all will in the LSCWA. Joe, we wish you well and may you enjoy your retirement to its fullest.

I would like to thank the volunteers who helped out with the August Derby and picnic, it was a great day and can't wait to do it again next summer! ...which coincidentally is our 40th anniversary..... what surprise is in store for next year?....wait and see!

BINGO

Prizes are mounting every week. Come on out give it a try and support your club. Prizes total **\$2200** every night or more!

Big Fish Award Plaque

Richard and Joann Koch have long been a part of the LSCWA, helping out in every way you can imagine, I just can't begin to describe all that they do in addition to being perhaps some of the best anglers to ever fish the water. I believe we can't find a finer example of true fisherman, so it makes me very happy to announce that from now forward the annual big fish award plaque will be named in honor of Richard and Joann Koch.

Thank you, Rich

Christmas Party Returns

2015 Annual Picnic

Here's a recipe from Whole Foods that is very good:

SALMON CHOWDER

Ingredients:

- 3 slices bacon, diced
- 1 large yellow onion, diced
- 2 stalks celery, diced
- 2 large Russet potatoes, peeled and diced
- 2 carrots, diced
- 2 cups chicken or vegetable broth
- ½ cup whole milk
- ½ cup half-and-half
- 1-1/2 pounds skinless salmon filet, cut into 1-inch cubes
- ¼ cup chopped fresh parsley
- ½ teaspoon dried dill
- ¼ teaspoon salt
- black pepper, to taste
- 1 tablespoon minced fresh chives for garnish

Brown bacon in a deep heavy sauce pot until bacon is crisp. Remove bacon with a slotted spoon and set aside. Cook onion and celery in the bacon fat in the same pot until onion is translucent. Add potatoes and cook about 5 minutes, stirring occasionally; do not brown. Add carrots and broth and bring to a boil. Reduce heat and simmer until vegetables are tender, about 10 minutes.

Add milk, half-and-half, salmon, parsley, dill and pepper. Simmer over low heat 5 to 8 minutes or until fish is cooked through and liquid is steaming, but not boiling. Transfer to serving bowls and garnish with bacon and chives.

Partners help DNR stock more than 4 million walleye this year

The Department of Natural Resources today announced the totals from its annual walleye rearing pond harvest and stocking of walleye fingerlings. The DNR's Fisheries Division and tribal partners stocked nearly 4.7 million walleye fingerlings in more than 110 water bodies located throughout Michigan this spring and summer.

Walleye ponds are a critical component of the DNR's coolwater fisheries management and have been used extensively since the mid-1970s. More than 30 walleye ponds located throughout Michigan were used this year, and most rely heavily on the support of local sportsmen's organizations. These groups assist with the ponds' finances and supply volunteers to help with fertilization, pond maintenance and fish harvest.

Eggs were taken from adult walleye from the Muskegon River and Little Bay De Noc and then hatched at Thompson, Wolf Lake and Platte River state fish hatcheries. A few days after hatching, the larval walleyes were moved from the hatcheries to local walleye ponds. The fish were reared in these ponds for 50 to 60 days where they fed on tiny aquatic animals called zooplankton. The fingerlings were harvested when they reached 1 1/2 to 2 inches long and stocked in public waters. The walleye will grow to legal size within four to five years.

"The many local angling groups that join us in rearing and stocking walleye are extremely valuable," said Ed Eisch, the DNR's fish production manager. "These annual efforts allow us to greatly enhance the world-class fishing opportunities available in Michigan."

Included in the 4.7 million fingerlings stocked were approximately one million fish reared by the Chippewa Ottawa Resource Alliance (CORA) and stocked in U.P. and northern Lower Peninsula waters. CORA operates walleye rearing ponds in the eastern U.P. Eggs for fish reared by CORA were collected from both Little Bay de Noc and the St. Mary's River.

"For many years now, our partnership with CORA has consistently resulted in high-quality walleye fingerlings that benefit both tribal and non-tribal anglers," said Eisch. "As it exists, our coolwater production capacity is not able to meet demand for walleye fingerlings, but CORA's efforts get us closer to meeting that demand."

To find out if walleye were stocked in your favorite fishing spot, visit the DNR's fish-stocking database at michigandnr.com/fishstock/.

August Derby

by Shawn Elliott

For the August derby, the Elliott family did well!

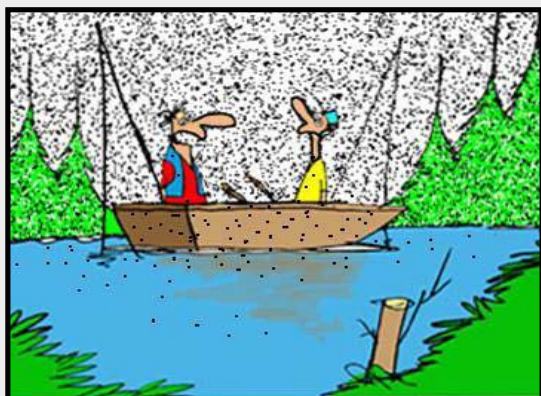

It was a really tough bite and conditions challenging as the wind kept a lot of fisherman off the water. We ground it out on Saturday with John Roodbeen on our boat. He started out early with a nice 25 inch, 4.53 lbs, but we didn't get another bite for an hour. We ended up with 6 walleye, the 7th was 12 inches for 18.8 lbs, just edging out the Koch's for super six! Also, we had 2 keeper pike, 20 perch, and a big drum. See pics on the Trophy page.

Youth - Joey 1st, Davy a 2nd.

Open - John 1st, and I took 3rd.

Super six - 1st

Noteworthy, some of the best fisherman had few fish. Keith, zeroed, Ted- 2, Tim M and his new boat - 2. Jeff and Dennis, who have been hot all year, had 6, but really put in major time to get it done. More people attended the picnic this year than last year.

"You're not going to let a few bugs bother you are you? Besides, the fish are just starting to bite."

Perch & Pig Update

There will be no perch and pig this year, but we look forward to continuing this tradition next fall. In place this year, we are working out the details of a single man perch tournament similar to the one thrown on by local boat clubs and gas docks. We are looking at the last week in September, please look for more info as it develops on our website.

Sad Note

by David A. Willemski

I believe 'Bill' William Furtaw lost his daughter Katherine Anne Furtaw age 47.

Bill was the President of MUCC District-8 (now defunct)

Over the years Bill helped LSCWA out quite a bit & also the Selfridge ponds.

She will be at Chas.Verheyden Funeral Home 16300 Mack Ave, Grosse Pt Park Friday 8/28 from 1pm to 9pm w prayers at 7pm.

It also mentioned her mother "the Late Jane Furtaw." Todays Free Press.

School Supplies

by Rich Benson

School is back in session, and the kids need a few supplies. In addition to our weekly bingo, there is a drop box there for school supplies for needy kids of Macomb County. Our bingo players fill that box weekly and I'd like to ask if any club members would like to add to it. I will bring a box to September's meeting for any donations. Paper, notebooks, pencils, pens, crayons etc. Also, kids mittens, hats, scarves help out too.

Thank you, Rich

AUGUST 2015 TREE HOUSE SENIOR GET – 2 – GETHER

by David A. Wilemski

August 25th at 8:30 AM it was a very good turn-out for our monthly breakfast club get-together. We had 12 hungry individuals participate. Two grand-children, two women and eight men enjoyed breakfast at Bob Evans on Hall Rd, just East of I-94. Our speedy waitress was excellent at serving our meals.

Left to right, we have: Madison Mellott, Charles Estop, Richard Koch, Joann Koch and Dale Billings.

Back row (L to R) Curtis Patton, Captain Jerry Comfort, Dave Wilemski, Bill Houck, Judi Ramin, Molly Mellott and Eugene Ramin. Editor, Jim Lease was sleeping at home so I called him and woke him up.

Charles won the very expensive door prizes however he gave them both to Molly.

Discussions centered around the great Sunday Picnic outing; the upcoming major Bass Tournament at Lake St Clair Beach; Jerry's wish list for his Charter Boat; and a new Minkota TV commercial.

Next tree house is Wednesday September 30, 8:30 AM, **Gus' Coney Isle** on West side of Gratiot just South of 23 Mile Rd. See you all there.
